Name

NJD054126164

EPA ID Number

Name

EPA ID Number

Total Amount of Waste Shipped:

5,350 gallons

Total Number of Shipments: 2

5. Description of the efforts

undertaken during the year to
reduce the volume and toxicity
of waste generated:

Purecoat North's toxic waste is regulated by the Massachusetts

Department of Environmental Protection and operates under a Toxic

Use Reduction Plan and files annually its usage and waste reduction
efforts.

6. Description of the changes

in volume and toxicity of waste
actually achieved during the year
in comparison to previous years:

The volume of waste generated at Purecoat North is dependent on

Production needs. In 2010 four of the waste exported went down

in volume and One went up slightly in volume compared to the

Previous year.

7. Certification: I certify under penalty of law that I have personally examined and am familiar with the information submitted in this and all attached documents, and that based on my inquiry of those individuals immediately responsible for obtaining the information, I believe that the submitted information is true, accurate, and complete. I am aware that there are significant penalties for submitting false information including the possibility of fine and imprisonment.
